The police officer or other person making the report shall also attach to or place upon every such vehicle a notice stating that the vehicle was parked in violation of this article. The notice shall contain instructions to the owner or driver of the vehicle that if he will report to the office of the Chief of Police and pay the sum as provided on the notice within the time period specified on the notice or if he will place the sum as provided on the notice, enclosed within the envelope provided, in any of the special parking fine boxes installed at various locations within the Township, that act will save the violator from prosecution and from payment of the fine and costs prescribed in the first sentence of this section.

ARTICLE IV
Removal and Impounding of Certain Vehicles

§ 170-26. Applicability and scope.

This article is enacted under authority of Section 61 09(a)(22) of the Vehicle Code 1 and gives authority to the Township to remove and impound vehicles that are parked overtime on any street in the Township or in metered and unmetered parking lots in the Township in violation of any provision of this chapter.

§ 170-27. Authority to remove and impound.

The Township shall have authority to remove and impound or to order the removal and impounding of any vehicle parked overtime or otherwise illegally, provided that the circumstances of its parking were within the conditions stated in § 170-26 of this article and provided that no such vehicle shall be removed or impounded except in strict adherence to the provisions of this article.

§ 170-28. Designation of approved storage garages; bonding; towing and storage.

Removal and impounding of vehicles under this article shall be done only by approved storage garages that shall be designated from time to time by the Board of Supervisors. Every such garage shall submit evidence to the Board of Supervisors that it is bonded or has acquired liability insurance in an amount satisfactory to the Board of Supervisors as sufficient to indemnify owners of impounded vehicles against loss or damage to those vehicles while in the custody of the garage keeper for the purpose of rowing or storage. The approved storage garage shall submit to the Board of Supervisors its schedule of charges for rowing and storage of vehicles under this article, and when the schedule is approved by the Board of Supervisors, those charges shall be adhered to by the approved storage garage. No different schedule of charges shall be adopted without approval of the Board of Supervisors, and no different charges shall be demanded of or collected from any person whose vehicle is removed or impounded under this article by any approved storage garage. The Board of Supervisors shall delete from its list of approved storage garages any garage that makes any unapproved charge in connection with any vehicle removed or impounded under this article.

§ 170-29. Notification of removal and impounding.

Within 12 hours from the time of removal of any vehicle under authority granted by this article, notice of the fact that the vehicle was removed shall be sent by the Township to the owner of record of the vehicle. The notice shall designate the place from which the vehicle was removed, the reason for its removal and impounding and the garage in which it was impounded.

1.

Editor's Note: See 75 Pa.C.S.A. § 6109(a)(22).

§ 170-30. Effect of payment of towing and storage charges.

The payment of any towing and storage charges authorized by this article shall, unless payment is made under protest, be final and conclusive and shall constitute a waiver of any right to recover the money so paid. If payment of any towing or storage charges is made under protest, the offender shall be entitled to a hearing before a District Justice. Payment of towing and storage charges shall not relieve the owner or driver of any vehicle from liability for any fine or penalty for the violation of the provision of this chapter for which the vehicle was removed or impounded.

§ 170-31. Records of vehicles removed and impounded.

The Township shall cause a record to be kept of all vehicles impounded under this article and shall be able at all reasonable times to furnish the owners or the agents of the owners of those vehicles with information as to the place of storage of the vehicle.

§ 170-32. Restrictions upon removal of vehicles.

No vehicle shall be removed under the authority of this article if, at the time of the intended removal, the owner or the person for the time being in charge of the vehicle is present and expresses a willingness and intention to remove the vehicle immediately.

The streets or parts of streets described in Schedule XVIII (§ 170-55), attached to and made a part of this chapter, are hereby designated as snow emergency routes.

§ 170-36. Penalty for violation.

- A. If, at any time during a period of snow emergency declared under this article, a person shall park a motor vehicle or allow a motor vehicle to remain parked anywhere upon a snow emergency route, that person shall be guilty of a violation of this article and, upon conviction, shall be punishable as provided in § 170-25 of this chapter.
- B. If, at any time during a period of snow emergency declared under this article, a person shall drive a motor vehicle upon a snow emergency route without having that vehicle equipped with snow tires or chains, that person shall be guilty of a violation of this article and, upon conviction, shall be punishable as provided in § 170-37 of this chapter.

**ARTICLE VI
Miscellaneous Provisions**

Unless another penalty is expressly provided by the Vehicle Code (75 Pa.C.S.A. § 101 et seq.) or except as herein specified, every person convicted of a violation of a provision of this chapter or any supplement thereto shall be liable to a penalty of \$25 and costs of prosecution.

§ 170-61. Legislative intent; amendments to Vehicle Code.

A. By Act 93 of 1996, the General Assembly amended the Vehicle Code² to add a new Section 6309.1 authorizing municipalities to enact ordinances allowing the impoundment of vehicles or combinations with a gross vehicle weight rating of 17,000 pounds or less for failure to pay fines relating to certain types of violations of the Vehicle Code. Section 6309.1 specifically authorizes impoundment of the motor vehicle of a defendant convicted of or who enters a plea of guilty or nolo contendere for violations of enumerated sections of the Vehicle Code where fines singularly or in combination total in excess of \$250. The Board of Supervisors desires to enact an ordinance to implement the provisions of Section 6309.1 of the Vehicle Code.

2. Editor's Note: See 75 Pa. C.S.A. § 101 et seq.

- B. Act 93 additionally amended the Vehicle Code to add a new Section 6309.2 which authorizes immobilization, towing and storage of vehicles for driving without operating provisions or registration. In Act 93, the General Assembly provided that the provisions of Section 6309.2 would become effective if the municipality enacted an ordinance electing to make Section 6309.2 applicable. The Board of Supervisors desires to make this section applicable within the Township.
